

SAFARI SHOEBOX

1

Gather supplies:

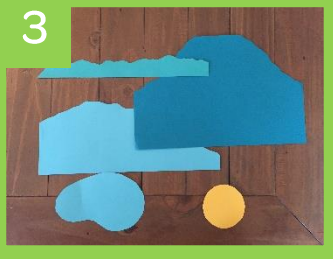

- Shoebox
- Paintbrush
- Paint (green & blue)
- Construction paper
- Glue
- Scissors
- Model Magic
- Markers
- Popsicle sticks
- Cotton Balls

2

Paint or color shoebox (bottom green, back blue)

3

Cut out watering hole, mountains and sun.

4

Cut out foliage. **Grass:** Fold paper in half & cut fringe. **Bush:** Fold paper in half & cut bush silhouette on one side.

5

Begin assembly!

Background: Glue mountains & sun to backdrop.
Ground: Glue watering hole down. Then glue bushes & grass (gluing only the bottom fold so they stand up).

6

Make trees: get a ball of Model Magic, push popsicle stick in. Glue top to create standing trees. Add to set. **NOW PLAY!**
