Create a Sweets & Treats Box!

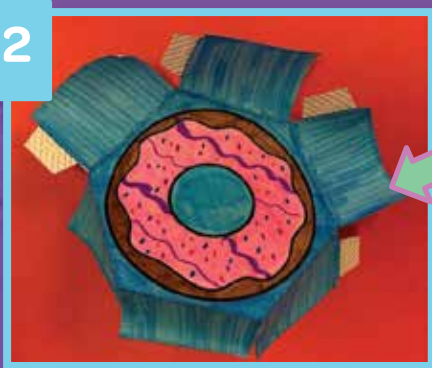

1

Design and color the sweets box top & bottom, then cut them out.

2

Starting with the top, fold down all 6 sides of the box.

3

Next, add glue to each tab and press the glued tab behind each side, until the box is completely formed.

4

Now, repeat this process with the bottom of the box.

Your box is now ready to store your sweetest treats!
