

# CRAFT IT: ZOMBIE BOOKMARK

1

Color your zombie heads and accessories.

2

On the zombie head, starting at the dotted line, cut out along the brain outline. Then fold both bookmarks along the dotted line and glue them on the glue panel.

3

On the blank zombie head, glue on whatever eyes, mouth, hair, brains you want...or draw your own!

4

Just slip your bookmark on the corner of your page to mark your spot!
