SEA TURTLE

Supplies Needed: Sea Turtle Printout, Paper Plate, Watercolors, Paintbrush, Glue Stick, Glitter Glue

1

Paint or color the head and flipper pieces.

2

Paint the paper plate.

3

When the head and flipper pieces are dry, use scissors to cut them out.

4

When plate is dry, use Glitter Glue or a marker to create a turtle shell texture.

5

Glue along the glue tabs on the head and flipper pieces, then adhere them to the bottom of the plate.

6

Now your Sea Turtle is ready to surf the seas!
