

SCRIBBLE Scrubbie™ DESIGN TIPS

SPLATS

- Make big dots of different colors all over.
- Add "petals" off each dot that are fatter at the ends to give it a liquid look.
- Finally, add a variety of different shaped dots (circular, tear drop, etc.) in between your

TIE DYE

- Draw large dots all over in different colors.
- Mist with water.

TIP: Use colors that mix nicely or you will get a muddy effect.

ZEBRA

- Draw slightly wavy lines all over.
- Trace back over the lines - make some lines thicker and keep some lines thin.

TIP: For even more color, tie dye underneath first. Let it dry, then add Zebra on top.

CHEETAH

- Create uneven circles all over in a lighter color.
- Then, add a different darker color around the edges of each circle.

SCRIBBLE Scrubbie™ DESIGN TIPS

FLORAL

- Make small dots all over in different colors.
- Add petals around each dot.
- Finally, connect the flowers with some green vines and add leaves to them.
