# Make a Rockstar Guitar

Color your guitar and accessories. Glue or tape the neck of the guitar to the body of it.

Then, cut out the accessories and use them to decorate your guitar. You're ready to rock 'n' roll!

*TIP: Have extra toilet paper rolls or paper towel rolls? Tape them to the back of your guitar "neck" to give it extra support!*

**Guitar Instructions**

**DID YOU KNOW?**  
Rock and roll is a form of music that developed in the 1950s and combines other styles such as jazz, country and folk music!

BACKSTAGE  
PASS

ALL ACCESS  
FOR: \_\_\_\_\_

# Create a Backstage Pass!

1 Color the backstage pass and cut it out.

2 Fold in half and punch two holes at the top of the pass. Lace with ribbon and tie.

3 Congrats, VIP! You're going backstage at the big event!
